**CHAIRMAN'S REPORT**

Good morning all,

It's that time of year again - where has it gone?  
And I really don't want to stand as chairperson again. My health is on the slide and the position is restrictive to my caravanning. After this meeting I will be off (hopefully) up north for at least 3 months.

I was disappointed at the turn up for the Fremantle ANZAC day march. We have so many members, although, I know some are very elderly or live too far away to attend. I hope next year will be better.

The association has purchased an ANF and White Ensign for use on the 30th November, just in case the Navy forget to bring their 2 flags.

The print of HMAS SYDNEY 2 has been put on the wall, opposite the computer office, with the help of some other members.

Finding a woman sobbing because she had locked her keys in her car, a passing soldier assures her that he can help. She looks on amazed as he removed his trousers,....rolls them into a tight ball and rubs them against the car door. Magically it opens....

"That's so clever" the woman gasps. "How did you do it?"  
"Easy," replies the soldier, "these are my khakis".

An old guy... (okay, a guy about our age and not in the best of shape) was working out in the gym, when he spotted a sweet young thing.

He asked the trainer that was nearby, "What machine in here should I use to impress that sweet young girl over there?"

The trainer looks him up and down and said...  
"I'd try the ATM in the foyer!..."

Twin sisters in an Irish nursing home were turning one hundred years old.

The editor of the local newspaper told a photographer to get over there and take a picture of the 100 year old twins.

One of the twins was hard of hearing and the other could hear quite well.

Once the photographer arrived, he asked the sisters to sit on the sofa.

The deaf sister said to her twin "what did he say"

"We got to sit over there on the sofa," said the other.

"Now get a little closer together," said the cameraman.

Again, "what did he say?"

"He says squeeze together a little" so they wiggled up close to each other.

"Just hold on a bit longer, I've got to focus a little," said the photographer.

Yet again, "What did he say?"

"He says he's going to focus!"

With a big grin, the deaf twin shouts out, "OH LARD JESUS! - BOTH OF US?"

Many regards,  
Ian Smith

**The European Commission has just announced an agreement whereby English will be the official language of the European Union rather than German, which was the other possibility.**

As part of the negotiations, the British Government conceded that English spelling had some room for improvement and has accepted a 5-year phase-in plan that would become known as "Euro-English".

In the first year, "s" will replace the soft "c". Certainly, this will make the sivil servants jump with joy. The hard "c" will be dropped in favour of "k". This should klear up konfusion, and keyboards can have one less letter.

There will be growing publik enthusiasm in the sekond year when the troublesome "ph" will be replaced with "f". This will make words like fotograf 20% shorter.

In the 3rd year, publik akseptanse of the new spelling kan be expekted to reach the stage where more komplikated changes are possible.

Governments will enkourage the removal of double letters which have always ben a deterrent to akurate speling.

Also, al wil agre that the horibl mes of the silent "e" in the languag is disgrasful and it should go away.

By the 4th yer people wil be reseptiv to steps such as replasing "th" with "z" and "w" with "v".

During ze fifz yer, ze unesesary "o" kan be dropd from vords kontaining "ou" and after ziz fifz yer, ve vil hav a reil sensibl riten styl.

Zer vil be no mor trubl or difikultis and evrivun vil find it ezi tu understand ech oza. Ze drem of a united urop vil finali kum tru.

Und efter ze fifz yer, ve vil al be speking German like zey vunted in ze forst plas.

If zis mad you smil, ples pas on to oza pepl.

Hilary Clinton decided to send Donald Trump a short message to let him know how she felt about him. He opened the letter and it appeared to contain a single line - in code:

'370HSSV 0773H.'

Trump was baffled, so he e-mailed it to Ivana Trump and his children.

Ivana Trump and the children had no clue either, so they sent it to the FBI.

No one could solve it at the FBI, CIA or NASA. They eventually asked Britain's MI6 for help.

Within minutes, MI6 cabled this reply: "Tell Mr Trump that he is holding the message upside down."

Last night I was sitting at a Red light, minding my own business, patiently waiting for it to turn Green even though there was no on-coming traffic.

A carload of bearded, young, loud Muslims, shouting anti-Aussie slogans, with a half- burned Aussie Flag duct-taped to the boot lid of their car and a "Remember 9-11" slogan, spray painted on the side, was stopped next to me.

Suddenly they yelled, "Allah Akhbar!" and took off before the light changed.

Out of nowhere a bus came speeding through the junction and ran directly over their car, crushing it completely and killing everyone in it.

For several minutes I sat in my car thinking to myself, "Bloody hell! That could have been me !"

So today, bright and early, I went out and got a job as a bus driver.
