

# END OF STEAM ERA REUNION

## Western Sydney Area, NSW, 2020

### Expression of Interest

I am forming an Organising Committee for The End of Steam Era Reunion 2020 to be held in the Western Sydney Area, NSW, in 2020.

**This Reunion is open to all personnel who have served on a "steam" warship.**

The EOSER is held every four years, with the current being in the ACT and past reunions have been in WA, SA and twice in QLD. NSW is yet to hold a reunion.

The current committee is made up of 6 very dedicated ex-serving members who have banded together to ensure that this reunion tradition continues to provide an opportunity for ex RAN personnel who served on those wonderful ships to meet and greet and tell a few warries.

A committee of at least 6 members would ensure that this great tradition carries on.
